Tuition

Hello from Grow

As fully qualified teachers and former school leaders, we got into teaching to inspire, educate and care for children - and hopefully change the world in the process. It is important to us that our reasons for getting into teaching are central to the tuition we provide. We want to provide time, space and care for every student that we work alongside, and we know you do too.

At Grow we pride ourselves on facilitating child-centred, confidence-building learning whether that's within schools or our centres. All of our teachers are fully qualified and experienced in teaching across the curriculum at both primary and secondary level. As we now have over forty teachers working with us in both of our centres and within schools, we are delighted to continue to offer our services to schools across West Yorkshire and Lancashire.

As former school leaders we understand the pressures placed on school teachers and leaders, and when working with schools we never forget this. We aim to support you with not only curriculum provision and progress, but with care for both staff and students alike. We've been there, we get it and we're here to help.

We have loved witnessing the progress we have made with the ten schools we have worked with this year and we are looking forward to working with even more in the coming years.

To meet with us or find out more about what we do, feel free to get in touch at hello@growtuition.co.uk

Sarah and Kathryn

Small Group Tuition Support

Fun, interactive and engaging small group tuition delivered face to face or online by fully qualified professionals.

Using the Schools Led Tuition funding or Pupil Premium funding for 15 week blocks, or a bespoke plan created together, we are able to tailor our support to the needs of your students.

We currently offer our services at a much lower price than leading approved tuition partners. We pride ourselves on paying our staff well and ensuring our schools and their children get the best deal possible.

Tuition Packages

All Tuition is available to be delivered in school or at one of our centres, either face to face or online.

Small Group Tuition

Package includes:

- Impact measures - qualitative, gathered via anonymous student and teacher surveys and quantitative - assessment data provided baseline assessments

1:4 tuition per block of 15 weeks -
- £40 per session

1:5 per block of 15 weeks at 1:5
- £50 per session

"SLT felt that the Tutoring sessions really developed the children who took part"
- Watergrove Trust

Parent Pledge Support

The government has committed to supporting children falling behind academically and we are as equally committed to supporting you with the delivery of this provision.

"The Parent Pledge sets out a commitment that any child who falls behind in English or maths will get support to help them catch up, and that schools will keep parents updated on their child's progress." - March 2022, Opportunity for All, Schools White Paper.

Offers available

12 week course

Package includes:

- Impact measures - qualitative, gathered via anonymous student and teacher surveys and quantitative - assessment data provided baseline assessments - prior scope agreed upon.
- Communication between teachers and parents including a report.

£40 per hour per small group

Parental Pledge Family Support

Our team is experienced with liaising with parents and can help ease the liaison load between schools students and parents. We have a lot of experience with mental health, behavioural and complex SEN needs.

Per block of 12 weeks package includes: regular communication between parents and tutors - a parental phone call or consultation, online communication each week and a final report with detailed feedback at the end of the block.

prices start at £50 per session

Holiday boost

Bespoke catch up session available in blocks available to be designed in consultation in with school staff or parents.

prices start at £40 per hour

"SLT felt that the Tutoring sessions really developed the children who took part"
- Watergrove Trust

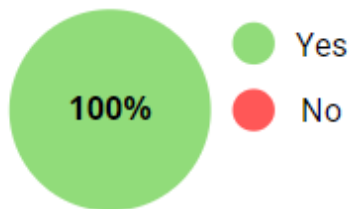

Quality Assurance

- All our tutors are fully qualified teachers with QTS and Enhanced DBS.
- Zoom training with the school aims and ethos in mind, is delivered prior to any starting any school.
- Both the schools and the Tuition centre observe our tutors to quality assure their practice.
- The curriculum for each school is designed in consultation with school leaders to ensure we are meeting the schools' needs.
- Planning is assessed via collaborative Google documents where teachers can collaborate and communicate with tutors.
- Feedback is captured from schools in both pupil and teacher voice after each block.

Recent School Feedback

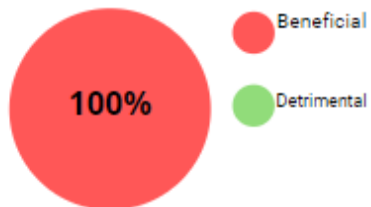

Did you notice an improved confidence in the children attending sessions?

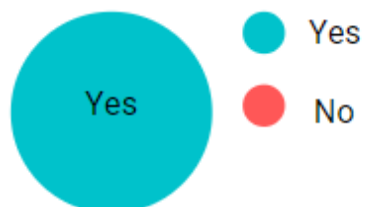

Did the children use any skills/knowledge learned in sessions in class?

Do you feel the time out of class for small group tuition was beneficial for children or more detrimental to learning?

Question (to SLT only): would you use Grow Tuition again?

Grow Facts: Every secondary school that we have worked with has engaged Grow School Support to continue working with them past the National Tuition Partnership's 'Schools led Tuition' funding.
